How to Link Your Observer Account in the Canvas Parent App
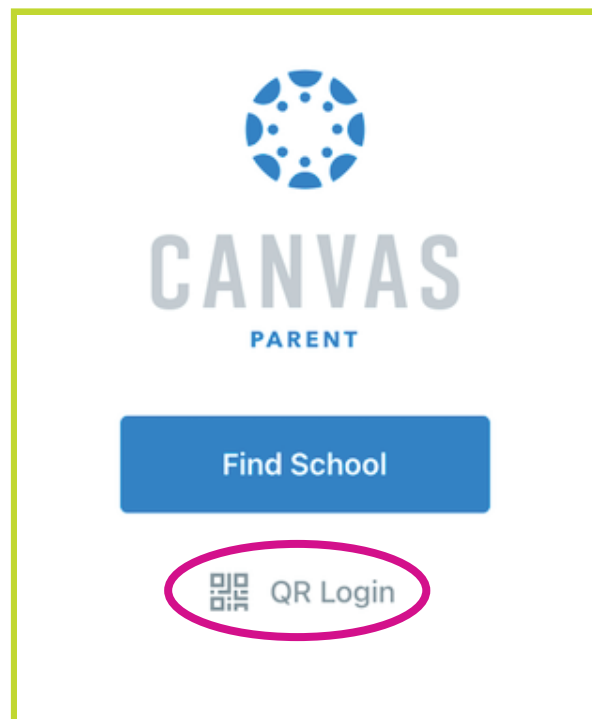

1. **OBSERVERS:**

▶ If you are **not** set up as an observer, first complete the steps from the **How to Add an Observer in Canvas** document.

▶ If you are set up as an observer, proceed to Step 2.

2. In your mobile app store, download the **Canvas Parent** app. Open the app, select *QR Login*, then click *I have a Canvas Account*.

**DO NOT select *Find School*.** This will direct you to the student log in page, not the observer login page.

3. To access your QR code, from your computer browser, **click here** to log into your obsever account or visit **ucscout.org** > *Log In Here* > *Access the Observer Feature Log In*.

4. Once logged in, from the left hand navigation bar select *Account* > *QR for Mobile Login*.

5. *Confirm QR code display > Proceed*.

Once opened, the QR will expire in 10 minutes. After 10 minutes, you must generate a new QR code.

Confirm QR code display ☒

Sharing a QR code can give others immediate access to your account through the Canvas mobile applications.

Please make sure no one is able to capture the image on your screen from your surroundings or from a screen sharing service.

Click "Proceed" to continue.

Click "Cancel" if you don't want the code displayed.

Cancel   Proceed
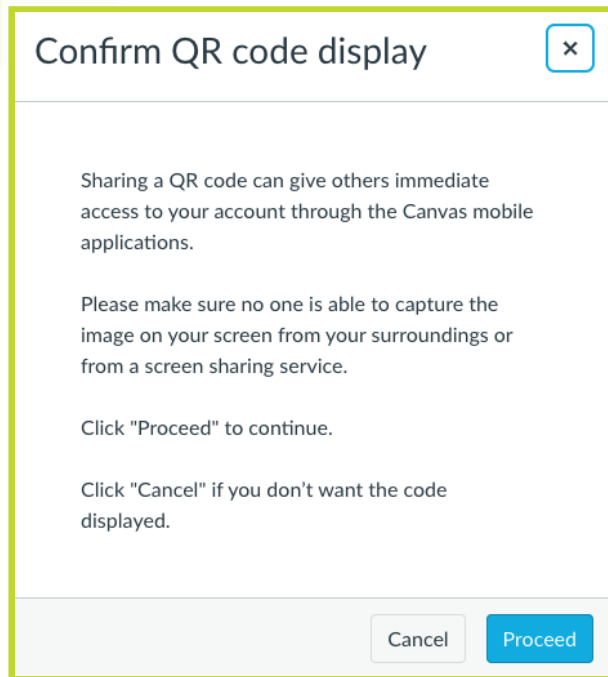

6. In your **Canvas Parent** app, scan the QR code.

QR for Mobile Login

To log in to your Canvas account when you're on the go, scan this QR code from any Canvas mobile app.

This code expires in 10 minutes.
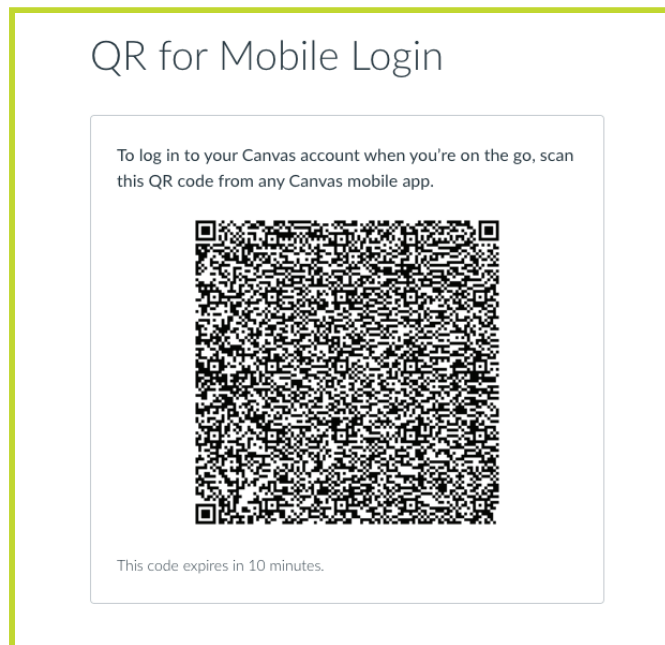

After completing these steps, you can stay updated on your student's progress via the online Canvas portal or the Canvas Parent app.
